## El Zarathustra de Nietzsche, de lo poético a lo filosófico

Authors: Iturralde Roberts, Fernando Andrés

Date/Publisher: 2008 by Universidad Mayor de San Andrés. Programa Cybertesis BOLIVIA

Language: Spanish

Subjects: Filosofía de Nietzsche, Zarathustra, Narratología de Genette

Format: XML Document

Description 1: La filosofía de Nietzsche no se puede separa de la forma en la que se expresa: aforismos, poemas, panfletos. Este trabajo es un intento por desentrañar las relaciones que existe entre la forma poética de la primera parte de Así hablaba Zarathustra y sus contenidos filosóficos. A partir de tres herramientas de análisis literario buscamos las constantes formales que nos desvelan contenidos filosóficos relevantes: la narratología de Genette, el análisis semiótico de Greimas y la

# Australasian Regional Update – Tony Cargnelutti

- National Library of Australia's [NLA] new Trove discovery service will be the new ADT portal before 2011, with ETDs as a searchable subset. See:  
<http://trove.nla.gov.au/>
- CAIRSS [CAUL Australian Institutional Repository Support Service] will manage this.
- Institutions currently running ADT specific repositories [total 16] will shift to IRs.

# Marketing/Communications – Joan Lippincott

- Develop Press List – key places internationally to send news and announcements
- Allied Organizations – encourage presentations at their conferences and place articles in their publications; ask them to link to our website: SPARC Right to Research page
- Develop ideas for universities to put an ND LTD intro page on their website, which would pull ND LTD news and events feeds and link to ND LTD site and resources
- Promote hot research topics from Union Catalogue on ND LTD website – e.g., theses on the topic of oil spills
- Develop Annual Communications Calendar/timeline
