Dear Dr.Edward Fox

It gives me immense pleasure to append below a brief Report on my visit to USA as a member of the delegation to attend the INDO-US Workshop on "Open Digital Libraries and Interoperability" held at Hotel Holiday Inn, Arlington at Ballston, VA, USA, during 23-25 June, 2003.

It has been a rewarding experience and I got delighted in getting exposed to many more new spheres that are emerging in the Digital Library arena and meeting interdisciplinary researchers, academicians and other concerned, for your kind information.

With profound regards,

Yours sincerely,

(T A V Murthy) July 3
